What does your policy typically cover?

Your policy helps protect you from a number of things that can go wrong. Here are some of the most common:

**Weather**

Hail, lightning, and other weather events can damage your roof, windows, siding, and more – so can falling branches and other debris.

**Fire**

Whether it's smoke damage from a small kitchen fire or extensive damage from a large, accidental fire, your policy can help you repair or rebuild your property.

**Vandalism**

Your policy typically covers willful or malicious damage to your property.

**Take steps to protect your property and call us as soon as damage occurs.
For more tips, go to [MyTravelers.com/prepare-prevent](https://www.travelers.com/prepare-prevent).**

What isn't covered?

Your policy covers you for many types of loss or damage, but it can't protect you from everything. Some examples:

**Floods are not covered**

Your policy does not cover flood damage. Please review the Important Information About Flood Damage page for more details and resources.

**Earthquake coverage is optional**

Damage from earthquakes is not covered, unless you specifically purchase coverage for it. Check under the Optional Coverages and Packages section of your Policy Declarations. If you do not see this coverage listed and think you need it, please contact your agent or Travelers representative.

**Theft**

Your policy typically does not cover theft of your property.

i *Your renter's personal belongings are not covered by this policy.*

When circumstances change, we need to know

Review your Policy Declarations to be sure the information we have is accurate. If your property, circumstances, or needs change, let us know immediately to maintain the coverage you need. Not informing us may result in a denied claim.

Contact your agent or Travelers representative if:

- Your mailing address changes
- Someone named on the policy passes away
- You sell the property or the property is vacant
- You renovate or build an addition
- You replace your roof
- You rent your property for shorter periods of time
- You stop renting your property
- Business is conducted on your property

This is not a policy document and does not change any provisions of your policy. There are exclusions, limitations, and conditions that apply to each coverage. If there is any conflict between your policy and this information, the provisions of your policy will apply.

Each home is unique and you know your home best. Your coverage amount may need to be adjusted, higher or lower, based on your home's specific construction details, updates or upgrades. Have you recently made any home improvements, such as upgraded your kitchen or bath, or completed a finished living area in your basement? Have you added an extra room or built a deck? These changes can significantly increase the replacement cost value of your home. It is important to make sure your policy affords appropriate coverage and limits to reflect your home's replacement cost value in the event of a total loss. If you disagree with your coverage limit, please contact your agent or Travelers representative who can work with you to help you decide the appropriate amount of insurance for your home and process any necessary adjustments.

Your policy is based upon the information you provide, external third-party vendor data and other applicable information, and we may use models and artificial intelligence systems in the underwriting and pricing process to help us accurately underwrite and price your policy. You have the right to request information about the specific data that resulted in your underwriting or pricing decision. If you'd like to submit such a request, please write to: Travelers, One Tower Square, Hartford, CT 06183 Attn: Privacy Coordinator.
